It is difficult to believe that 50 years has gone by!! Working on the reunion has brought back lots of fun memories of Cass Tech. Joe wrote about “us” (reference – Joe Knable) but I thought I would like to add a photo of our entire family. Each one is a delight and we look forward to any time spent with them. We feel so very blessed. We enjoy people so keep in touch – [mknable@earthlink.net](mailto:mknable@earthlink.net).
